In accordance with the provisions of the Federal Water Pollution Control Act (33 USC 1251 et. seq.) and Chapters 37, 37-A and 38 of Public Health Regulations, Department of Health, the Hawaii State Department of Health has reviewed the following application for National Pollutant Discharge Elimination System (NPDES) permit to discharge wastewaters:

Discharger

Application No./NPDES No.

This agency has published a public notice of our proposed action regarding the above application.

After consideration of the expressed views of all interested persons and agencies, pertinent Federal and State statutes and regulations regarding the discharge, the Department of Health has issued the enclosed National Pollutant Discharge Elimination System permit for the discharge referred to above. This action does not constitute a significant change from the tentative determinations set forth in the public notice.

The permit shall take effect on the date of this notice.

The permit applicant will have the opportunity to appeal to the Director of Health to any of the conditions of an issued permit. The applicant will have twenty (20) days after receipt of notification of issuance of a permit to appear before the Director or submit a written letter of appeal to the Director. The applicant may further appeal to a circuit court from any of the Director's decision in the manner provided in Chapter 91, Hawaii Revised Statutes.

Sincerely,

WALTER B. QUISENBERRY, M.D.
Director of Health
